HOT BUYS

Primary Switch Mode ECO Power Supply

- Output Voltage: DC 24 V, 5 A
- Open / Short-circuit Protected
- LED Status Indication
- Switched-mode power supply
- Suitable for both parallel and series operation

Hot Buy Price: **\$63.00**

Wago Part # 787-722

*** No Minimum Order ***

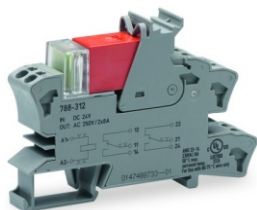

Socket with Miniature Switching Relay

- Nominal Input: 24 VDC, 6A
- Max switching: 250 VAC
- 6 mm-wide housing
- Flexible in-line jumper system to eliminate discrete wiring
- Pluggable relays

Hot Buy Price: **\$7.60**

Wago Part # 857-304

*** No Minimum Order ***

Relay Socket with Relay and Status Indicator

- Nominal Input: 24 VDC, 8A
- Max switching: 250 VAC
- Reinforced insulation between coil and contacts
- Pluggable relay & indication
- Nominal Operating Mode: Continuous Duty

Hot Buy Price: **\$14.00**

Wago Part # 788-312

*** No Minimum Order ***

*** 120 VAC also available for the same price ***

Industrial-ECO-Switch

- Supply voltage 18 to 30 VDC
- 5 ETHERNET ports, 10/100 Mbps autonegotiation
- Front-panel diagnostic LEDs
- Overvoltage protection
- Mounting: DIN 35 Rail

Hot Buy Price: **\$67.00**

Wago Part # 852-111

*** No Minimum Order ***

DIN / Steel Carrier Rail

Hot Buy Price: **\$4.00 per stick**

Wago Part # 210-112

5 piece minimum

Slotted 35 x 7.5 mm, 1 mm thick
Comes in 2 meter lengths
