Symbol

- We are less costly; substantial savings over buying new.
- FREE actual evaluations
- Much better warranty period – our 18-month all-inclusive in-service warranty compared to 3-months from date of shipment from most manufacturers
- FREE Detailed Repair Report provided with every repair
- We repair and support most legacy systems; eliminating the need for an upgrade to a new, expensive unit
- One-stop shop: **We repair all barcode readers and scanners**

If you do not see what you are looking for please call us! We add repair capabilities daily!
